Name MR. WASIN CHANCHAISAWAT
Faculty of Informatics
Date of Birth August 28, 1998
Date of Admission June 20, 2018
Date of Graduation July 21, 2022
Date of Leaving July 21, 2022

Student No. 61160192
Nationality Thai
Major Subject Software Engineering
Minor Subject -
Degree Bachelor of Science (B.Sc.)
Distinction -

Course No.	Title of Course	Cr.	Gr.
	1st. Semester, 2018		
85111059	Exercise for Quality of Life	2	C
88510059	Logical Thinking and Problem Solving for Innovation	2	B+
88510159	Moving Forward in a Digital Society with ICT	3	C
88810159	Mathematics for Software Engineering I	3	C+
88811159	Essential Skills Preparation in Informatics	2	B+
88814159	Principles of Programming for Software Engineering	3	C+
88814259	Principles of Programming for Software Engineering Laboratory	1	C+
99910259	Collegiate English	3	D
	2nd. Semester, 2018		
61010159	Art and Life	3	C
73110159	Life Skill and Adolescent Health	2	C
88810359	Software Engineering Economics and Business Model	3	C+
88814359	Object-Oriented Programming and Modeling	3	D
88814459	Object-Oriented Programming and Modeling Laboratory	1	D
88814559	Introduction to Software Engineering	3	C+
88820459	Discrete Structure for Software Engineering	3	C+
99920159	English Writing for Communication	3	C+
	1st. Semester, 2019		
25710259	Economics of Everyday Life	2	D+
88820559	Statistics and Empirical Methods for Software Engineering	3	D
88823359	Data Structure and Algorithms for Software Engineering	3	C
88823459	Object-Oriented System Analysis and Design	3	D+
88823559	Personal Software Development Process	3	B
88823659	Personal Software Development Process Laboratory	1	C+
88825159	Computer Architecture and Organization for Software Engineering	3	C+
99910159	English for Communication	3	D+
	2nd. Semester, 2019		
40240359	Sufficiency Economy and Social Development	2	B+
77037959	Arts and Creativity	2	B
88810259	Mathematics for Software Engineering II	3	B+
88822159	Software Engineering Approach to Human Computer Interaction	3	C+
88822259	Database Systems and Design	3	B
88823159	Software Requirement Engineering and Documentation	3	C
88823259	Software Requirement Engineering and Documentation Laboratory	1	C
88823759	Software Development Training Camp	1	B+
88839159	Special Topics in Software Engineering I	3	C+
	1st. Semester, 2020		
88831259	Skills Habits and Ethics for Software Engineers	3	B
88832359	Operating System and Open Source Methodology for Software Engineering	3	C+
88833859	Software Testing and Quality Assurance	3	B
88835259	Data Communication and Computer Networks for Software Engineering	3	B
88837159	Team Software Development Process	3	B
88837259	Team Software Development Process Laboratory	1	B+
88837559	Web Engineering and Contemporary Technology	3	C
	2nd. Semester, 2020		
88831359	Enterprise Architecture Methodology	3	D
88832559	Data analysis and visualization	3	C
88833959	Software Project Management	3	C+
88836259	IT Security	3	C+
88837459	Electronic Commerce on Mobile Devices	3	C
88837659	Software Metrics	3	B
88837959	Software Design and Architecture	3	C
	1st. Semester, 2021		
88841859	Cooperative Education	6	A
	2nd. Semester, 2021		
88841759	Software Engineering Seminar	1	A
88841959	Software Engineering Project	3	A
99930459	English for Job Applications	3	D+
99940959	Chinese for Communication	3	D+

Total Number of Credits Earned 138
Cumulative Grade Point Average 2.42
